Brief description	UIR was established in September 2010, in partnership with the Moroccan State, following the innovate model of a Public - Private Partnership. Since its foundation, the International University of Rabat has become an example of an innovative and highly attractive institution, renowned at the national and international levels for its excellence in training and research, its vibrant community, and for its state-of-the-art campus. The University is located in the Technopolis area, 15 km from the city of Rabat. The campus is built on 27 hectares (66 acres) of land, and hosts 5 main buildings, a library, 6 student dormitories, 1500 parking spaces, indoor and outdoor sports fields (basketball, soccer, handball, tennis), heated semi-Olympic indoor pool, and fitness spaces. The campus also has 2 restaurants and a cafeteria, alongside a grocery store and a laundry room.	
Number of students	6000, counting Bachelor and Master students.	
Office Hours	Mondays to Fridays from 8h30 to 18h00	
What we do?	The International Relations Office is entirely dedicated to the management of international academic partners, the management of student, staff, and teaching mobilities, the development of UIR partners' portfolio around the world and the promotion of the university internationally.
